

A huge thanks to everyone that came out to help at the Work Day at Prayer Park last week and for those that provided lunch! You are appreciated! We also want to thank other CFC family members that have been **working behind the scenes the past two weeks to help us cross off items on our “To Do List.” **There are still more opportunities where you can serve here at CFC or at Prayer Park. Contact Chad & Katti Gouza or Kathy Miller.****

A new Fire-Pit was created at Prayer Park last week thanks to our awesome volunteers and is ready for you to take advantage of with your family, friends, or Life-Group! There is a small stack of wood available, but bring your own fire-starter and lawn chairs and enjoy the beautiful view!

The Associate Pastor Search Committee recently met and reviewed two resumes that we have received so far. All resumes & references must be received by June 14, 2024. Please continue to **pray daily** for God’s leading in this very important decision. **A “Prayer Point” insert was in your mailbox last week or is in your mailbox today.** Please post it where you will reference it when in prayer.

Gospelers - Turning Darkness into Light One Conversation at a Time

When Jesus commissioned his disciples to go and make disciples, he invited all his followers—including us—to join his work in the world. **As followers of Christ, we have the best news that everyone needs.** But are we sharing it? **In this six-session series, author and businessman Willie Robertson encourages us to embrace our identity as “gospelers,” ready and able to share the good news of Jesus.** We don't need to preach to share the gospel; we simply need to have meaningful conversations. **RightNow Media is a platform that offers over 20,000 Biblically-based videos for small groups, families, students, & leadership development and is a free gift from CFC to our CFC Family.** If you would like an invitation to join RightNow Media, please contact Kelly Roth.
