**Gratitude Is Not Thanksgiving**

**The only appropriate response to the faithfulness and goodness of God is GRATITUDE.** In this study, Pastor Jason Turner will convey a biblical understanding of the necessity for authentic gratitude in the life of a faithful follower of Jesus. **Jason will explore how we express it to God and communicate it to those through whom God works to bring about His good and perfect will for our lives. Gratitude is a worshipful disposition toward a good and gracious God.** Jason will explore four main characteristics of what gratitude is not in moving us to understanding that gratitude is something that Christ Followers should model in their everyday life. **RightNow Media is a platform that offers over 20,000 Biblically-based videos for small groups, families, students, & leadership development & is a free gift from CFC to our CFC Family.** If you would like an invitation to join RightNow Media, please contact Kelly Roth.
