

**“Is our gospel too small?”** This is the question James Choung tackles in this nine-lesson engaging course, **“Evangelism: Sharing the Big Story.”** James presents a way of talking about the gospel that acknowledges that Christ’s sacrifice on the cross offers believers more than just a ticket to heaven. **The good news of the gospel is that God is calling believers to participate in his work of restoring creation to its original design.** Such work includes actively reconciling people to each other and to God, bringing healing, and testifying to the goodness of the kingdom of heaven that is already and is still to come.

**Choung’s gospel diagram may revolutionize how the gospel is shared and communicated** across the nation for years to come. It presents a fuller picture of what the good news is and makes it easier to share. Rather than focusing on an individual making a one-time decision towards an eternally happy afterlife, the gospel message presented here emphasizes the ongoing process of transformation in the life of the believer in Christian community, living out a missional life here and now. **This course is based on his book *True Story: A Christianity Worth Believing In*** (InterVarsity Press) available for purchase at [ivpress.com](http://ivpress.com) (use code SEMNOW40 for 40% off and free shipping) or at [Amazon.com](http://Amazon.com).

Duane is also the founder of LINC (Linked International Network of Churches), which is the organization that CFC is associated to. LINC also hosts the leadership and youth conferences that many of our adults and youth attend. **Please plan to attend and to invite others to come to listen and to be encouraged in their walk of faith.** There will be a time of snacks and fellowship following the service.

## Vacation Bible School

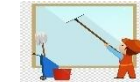

Our Community VBS is coming up June 12–16 from 9:00 am to 12:00 pm at the Methodist Church in Engadine. Many of our CFC family are involved in helping to make this an impactful week for the kids that will attend. **If you have or know of kids that would like to attend and need transportation or would like to be a part of a carpool, please contact Kathy Miller.**

The VBS set-up day is **Friday, June 9<sup>th</sup> from 9:00 am -?** Lunch will be served. Please come **help for as long as you** can to help setup and decorate for the week.

The following **food items are needed** for VBS: English Muffins, soft cream cheese, blueberries, strawberries, hot dogs and buns. There is a **sign-up sheet in the Hospitality Center** for specific items & amounts if you are able to provide. Items can be dropped off on June 11<sup>th</sup> at the FWC.

The east side of our parking lot has now been striped, but because of the way the company designed them, the spaces are better suited for cars. If you drive a truck, we encourage you to park on the **west side** of the building. Parking is also available behind the Snowmobile Museum for those that don't mind getting a few extra steps in so that we can save parking spaces for new guests and others that need easy access. **Thanks!**

**Are you in the small minority of people that enjoy washing windows and have a few extra hours to volunteer?** If the answer is "YES" and you'd like to work your magic on the windows here at the FWC please contact Kathy Miller.

**Please help us fill every seat available on Sunday morning by** considering moving towards the front and/or inviting others that are looking for a seat to fill in empty chairs around you. **This will help us have plenty of room for those that arrive late or guests** and others that feel more comfortable sitting towards the back. **Thanks!**

If you would like to **borrow chairs or tables for an event or use one of the campuses**, please remember to contact Kelly Roth for approval to be sure we don't have any conflicts, this is according to our **Policy & Procedures Manual**.

**-"Hats off" to our Hospitality Team that serve so faithfully every Sunday morning!** This is an important ministry because it offers another way to connect with others in the CFC family. **We also appreciate those that sign up to provide snacks.** Whether you want to keep it simple with a bag of pretzels and a cookie or whether baking & food preparation are your passion and you find joy in serving something more elaborate, **your contribution matters.**

**Please remember to check your mailboxes** when you are here to worship on Sundays. If you don't yet have a mailbox and would like to have one, please contact Kelly Roth. **Thanks!**
