 **Navigating Beyond the Scars**
Life rarely moves in a straight line. **For many believers, the hardest thing about pressing toward the future is that the past keeps pulling them back—its wounds, its questions, and its unfinished business demand attention.** Navigating Beyond the Scars invites audiences into an honest, hope-filled conversation about what it truly takes to stop looking backward and start straining toward what lies ahead. Jackson TerKeurst knows this journey in a way few people do. **Born in West Africa, he survived war, displacement, and profound family trauma before finding a new home and a new family in America.** His story is not merely one of survival—it is a testimony of faith, forgiveness, and the God who connects every dot. RightNow Media is a platform that offers over 20,000 Biblically-based videos for small groups, families, students, & leadership development & is a free gift from CFC to our CFC Family.
