Safe in the Storm: Biblical Strategies for Overcoming Anxiety

Anxiety is a common struggle in a broken world. **When fear and worry dominate our thoughts, peace can feel distant and unattainable.** Left unchecked, anxiety can quietly shape how we think, respond, and live. **In this five-session series, you'll learn how to follow Jesus through anxiety by trusting God's care over your feelings (1 Peter 5:7), renewing your mind with truth (Philippians 4:8), and desiring God above relief (Psalm 37).** You'll also look at both the teaching and the example of Jesus—especially in the Sermon on the Mount—and learn how walking in the Spirit (Galatians 5) leads to steady, lasting peace.

RightNow Media is a platform that offers over 20,000 Biblically-based videos for small groups, families, students, & leadership development & is a free gift from CFC to our CFC Family. If you would like an invitation to join RightNow Media, please contact Kelly Roth.
