Behold: An Advent Study

At red-lit intersections or in a doctor's waiting room. Anticipating movement in an inbox, at a subway station, or an airport gate. We all do it: Wait. **The season of Advent reminds us that a weary world waited to rejoice at the coming of Jesus.** Behold: An Advent Study helps us focus on the significance of Christmas. **The study guides us through Old Testament prophecy and New Testament fulfillment, demonstrating the faithful gifts of peace, healing, hope, and freedom that Jesus has given us.** These gifts help us to wait well, with expectancy. **RightNow Media is a platform that offers over 20,000 Biblically-based videos for small groups, families, students, & leadership development & is a free gift from CFC to our CFC Family.** If you would like an invitation to join RightNow Media, please contact Kelly Roth.
