Engage: Releasing the Warrior Within

The battle is real. The enemy is real. Satan’s desire to make you ineffective in your work for the Lord is very real. Thankfully, Jesus defeated Satan through His death and resurrection so we can stand firm and victorious in battle. **This 10-lesson study will provide you with a deeper understanding of the spiritual war itself, the enemy’s tactics, God’s armament, and how to engage through prayer.** Life is a battleground, not a playground. It’s time to engage and release the mighty warrior that God created you to be!
